Who wants a fresh start on . . . Personal Growth

Fresh Starts Always Begin with Vision

Am I Growing?

The principle of decrease/increase

- What do I think about?
- How intense are my emotions?
- How do I act and live?

Do people say of you: "Whatever they've got, I want it!"

Be encouraged and motivated!

Proverbs 24:16
*Though a righteous man falls seven times,
he rises again...*
